DIRECTOR'S ORDER 104, Amendment 2

Subject: Delegation of Authority - Natural Resource Damage Assessment and Restoration Activities

1. Section 4, Delegation of Authority. Change "Regional Directors" to read "Regional Directors and the California/Nevada Operations Manager" throughout the paragraph.

2. Section 5, Implementing Instructions. Revise Section 5b to read as follows:

> When multiple Service Regions are involved, the affected Regional Directors will agree among themselves on which Regional Director will assume the lead. If the site involves California and/or Nevada and another State, the California/Nevada Operations Manager and the affected Regional Director(s) will agree among themselves on who will assume the lead. The lead (Regional Director or California/Nevada Operations Manager) must notify the Chief, Division of Environmental Contaminants as to who has lead responsibility for the project. If the Regional Directors and/or the California/Nevada Operations Manager cannot agree, the Director will appoint a lead.
