Memorandum

To: Acting Assistant Director – Endangered Species

From: Regional Director – Region 7 Thomas O. Melius

Subject: Endangered Special Act Decisions Review Results

Region 7 has reviewed our ESA decisions made over the time period specified, and we found no decisions requiring re-examination. Decisions reviewed included the sea otter (southwest DPS) listing; yellow-billed loon and long-tailed duck petition findings; polar bear 12 month finding and proposal; designation of Kittlitz murrelett as a candidate species and evaluation of its LPN; and other ESA consultation and recovery decisions.
