Author: *Economic Impact of Waterfowl Hunting in the United States*

PERSONAL DETAILS

T: 503-231-2385
E: erin_carver@fws.gov

PERSONAL SUMMARY

My goal is to provide quality economic analyses so that policy makers, both at the local and national levels, can put forth informed policies as they relate to communities. Working with the US Fish and Wildlife Service programs toward solutions to bridge conservation goals with economic viability is truly rewarding.

US FISH AND WILDLIFE SERVICE EXPERIENCE
