Just to clarify, 6 p.m. ET? I think this is do-able given the level of importance. I will send an invite out now, but if you get a chance, mention it to Dan. I seriously doubt that he'll have a problem with this, but on the off chance that he does, you have more direct access than I do right now.

heading out at 1 ET on 6/18 for the Ivory Crush, so that afternoon is off the table.

Anna, I was thinking late in the day/after next week on 6/17 or 6/18 – is that possible?

How soon do you need this scheduled, Noreen? I currently have 1:30 - 2:30 ET on Friday blocked but can move it up or back based on your need/availability. Once I hear back from you, I will send out invites.

Thanks,

Anna
