Works for me . . . Ren, would you like to send Tony a note and cc me? He and I can have a good conversation on October 2 at his convenience.

In addition, calendars are filling up for the rest of the year, so let's compare on Monday and see if we can lock something in. I think the broader meeting in Reno is a great idea. Would be ideal to have it before the winter WAFWA meeting.

One more thing . . . Can we get together with Benjamin, Tom, and Robyn and Rich at AFWA to discuss the LCC/Sage Steppe issue? Seems like a good chance for all of us to share ideas and prepare for future conversations.

Thanks sincerely for your help . . .

Ren,
It looks like I will now be in DC for the States' only Sage-grouse task force meeting on Oct. 1. Can I meet with Paul in DC on Oct. 2? You and Noreen? Or should we try to find another date. I'm anxious to have a discussion after broaching the subject with the IWJV this week and also the upcoming LCC Council meeting in North Carolina in early November.

Regards,
Tony
