Hello all!

In the spirit of the holidays I am sending each of your offices a hard copy of the Habitat Assessment Framework that I received from WAFWA! (Remember this is a key item for implementation of the BLM/FS plans - remember?). Unfortunately we as an agency were only allotted 15 copies so I am sending one to each field office on this list and one to each of the coordinators (of which there are now 4 - but that may change). If I get any more I will send to those offices with sub-offices. If and until then I will leave it to you to sort out where the document will reside (but please no fighting - I suggest sharing with a beverage!).

Given my travel schedule until the middle of this month it might take a week or so to appear in your in boxes. If you can't wait to read it I can send you an electronic copy so that you are not sitting at your snail mail in-box until the wee hours of the morning waiting!

If you have acquired a hard copy through other means (no questions will be asked) please let me know so that I can cover some sub-offices.

Enjoy!

p
