American Burying Beetle Permittees
Provided by the U.S. Fish and Wildlife Service

Below is a list of individuals/companies in the surrounding area that currently hold permits for surveying for American burying beetles. The company you choose is solely at your discretion. The Service will not provide recommendations or advice as to which company to choose, nor will we provide any guarantees as to the quality of work. The Services only role in this matter is to provide a list of individuals/companies legally authorized to survey for the beetle.
