FYI

If this language is accurate, and it passes, I interpret it to mean we also cannot write or issue a final 4(d) rule for Gunnison. That would be an unfortunate consequence.

Noreen,

Jared requested that I forward this to you as soon as we were able to get it. Below is the sage grouse rider language. There is report language as well but that is not yet available - we can send as soon as we see it as well.

Best,

Desiree
