Thanks Gary

The agenda has been changing daily, hopefully this is close to final. I will be in DC for the briefing and probably either Mike or Ted koch. I don't think Noreen has decided whether this is a good use of her time given the multitude of issues in R6.

Amodei tells me that he and Reid just want to know how they can help. I suspect the staffers are trying to make it more. I briefed Amodei on the bi-state decision and he didn't express any disappointment or surprise.
