Noreen,

I just listened to you message and am wondering if we need to chat. I am at deer camp in Southern Iowa right now for the next week. If we need to chat I can call you in the evening. Also, Galon Hall will be with the Chief for the Directors meeting on Monday. He's all briefed up and ready to go.

Please let me know what time and number to reach you if we need to talk.

Thanks and have a great week!

Tim

Subject: 11/18 Sage grouse Director's Meeting 10 am - 12 pm

Greetings,

Director Dan Ashe is hosting an 11/18 meeting among agency directors (FWS, BLM, FS, NRCS) and DOI leadership,as a followup to the original, executive level March, 2011 meeting that kicked off the federal land management planning process for sage-grouse conservation.

The purpose of our meeting is to provide you an overview of our FWS timeline between now and September 2015 and to assess our collective state and federal progress at this mid-term point. It seems timely to discuss both topics among the federal agencies particularly as we approach the December meeting of the Western Governors Association.

In that vein, attached is a draft agenda for your comment. Please send any comments, thoughts, or additions to me by Wednesday November 13 and we will

provide a final agenda before the meeting.

Thanks,
Noreen
