Title and Series Determination: See evaluation statement for the full performance level position, GS-08, position description number S000323. The evaluation statement for the full performance level position description (S000323) explains fully the allocation of this position to the 1802 series and titling practice, to include background surrounding the function and position.

GRADE LEVEL DETERMINATION: Refer to the evaluation statement of the full performance level position, GS-8102-08, position description number S000323 for the grade determination at the full performance level. This is an interim position established to provide for a period of growth.

The position will remain at the grade GS-06 level until the employee meets the necessary qualification requirements and the incumbent's supervisor certifies that the incumbent has reached the described level of proficiency and effectiveness contemplated at the next grade level. Upon meeting all requirements, the incumbent may be promoted noncompetitively to the next level of GS-07 (S000328), providing that sufficient work exists at that grade level to warrant establishing such a position.

CONCLUSION: The position will remain at the grade 06 level until the employee meets the necessary qualification requirements and the incumbent's supervisor certifies that the incumbent has reached the described level of knowledge and proficiency as described at the GS-07 level. Upon meeting all requirements, the incumbent may be promoted to the next level of GS-07, position number S000328.
