Given the positions of the members copied on the letter, I'm guessing this will be something that Director Ashe, Director Kornze, and/or officials in the Department would also want to participate in. They would certainly be welcome. Can we work together to set this up for February?

Dear Ren,

I am formally requesting for you and the appropriate FWS staff to host a briefing on the Sage Hen issues for myself and House colleagues in January. I appreciate the staff briefing today, but believe additional dialogue should exist between agency officials and elected Members of the House. Attached is a House Calendar for the 114th Congress, please let my office know what dates in the month of January might work at you earliest convenience. My staff will be sure to assist you to inform other House Members of when this briefing will occur. Thank you for your consideration.

Cordially,

Mark E. Amodei
Member of Congress
