Good morning all,
I might need to refer to this as a visual aid for some clarification surrounding principle two so thought I'd send it just in case…

Subject: For Friday GSG EIS Mitigation Call

Core Team,

For tomorrow's GSG EIS Mitigation call. Matt P made most of these edits based on today's meeting and I tossed in a few more. Please review in time for the call. We hope to pass this to the next level first thing Monday morning. Thanks!

Jim
