Ren et al.-

Okay. I just emailed Virgil to see if he and San want to visit from 11:30-12:00.

If we want to move anything else around, let me know. We'll see you both at the NFWO by 10.

Noreen – we'll be hoping you'll join our all staff meeting. And if you need a desk and phone for that time period, we can do that, too.

Thanks,

Ted

> We're quickly filling our day together on Monday, April 1, in Reno. An added opportunity exists with Idaho Department of Fish & Game Director and **WAFWA sage grouse lead Virgil Moore** and his WAFWA staff member San Stivers being in our office too that day. They will be meeting with Congressman Amodei after us, at 3:15 in our office. They may be available to meet with us/Noreen, too, if we wish. Do you want me to plan for this, maybe after we check with Noreen?

> Tentative schedule (all in NFWO):
>
> 10:00 a.m.- NFWO all staff meeting
> 11:00 a.m.- Meet with Bruce Petersen, NRCS Nevada State Conservationist
> 11:30 a.m.- Meet with WAFWA sage grouse reps Virgil Moore (IDFG Director) and San Stiver (WAFWA staff)
> 12:00 p.m.- Lunch among just us, preparatory discussion (Ren, Noreen, Ted…)
> 1:00 p.m.- Meet with Congressman Amodei
> 3:00 p.m.- Free to go!

> Main question now: **do we want to invite Virgil and San to meet with us**? Other thoughts: do we want to pre-meet with federal family members Amy Lueders and Bill Dunkleberger, or post-meet with Leo Drozdoff so you can get to know him? And let me know any other thoughts you may have.

Thanks,

Ted
