---

Noreen,

Thanks You for being available. Hope progress is being made in Denver today and tomorrow. Sorry I could not be there.

It was a pretty dramatic accident (see photos), fortunately only severe contusions and bruises. I had a tail bone injury and compressed lower back so it will take a while to heal up. Moving kind of slow.

I should be off my medications tomorrow and hope to get back to work by end of week.

Virgil

Virgil, I would be happy to attend and provide some remarks.

I hear you had an unfortunate accident – sorry to hear that and I hope you are recuperating.

Best,
Noreen
