MAXX to RO and Doubletree is fine by me, probably alot easier for you guys to arrange at this late date (just NOT the Red Lion, if it still exists, down the street!)

thanks

Please let me know your preferences. Do you want us to make reservations for lodging and a conference room at a hotel at the airport? Or, you could take the MAXX to the Regional Office and stay at the Double Tree and meet in an RO conference room? No cars would be needed if taking the MAXX. Would everyone arrive on the evening of the 18th and start first thing in the morning of the 19th or travel on the 19th? I assume we want to end early enough on the 20th that you can get flights home that evening.

I have 2 coming from R8.

Let me know and we will get things set up. The sooner we can lock things in the better because lodging in Portland in the summer can be pretty tight.
