Hello Michael. Maybe we can all find time for a discussion before the conference call. Looks like I have time from 11:00-12:30 and 2:30-3:00.

Dan.

What is your current thinking on this topic? From the environmental community, Erik Molvar (Wildlife Earth Guardians), Mark Salvo (Defenders), and Bryan Rutledge (Audubon Wyoming) seem most informed about the BLM plans. I understand that Bryan is taking a month off work, and I'm unsure when he plans to return.
