Thanks for the email Glenn. Here is the conference line we will keep open if you wish to join by phone:

Conference Call-in Number: 1-866-906-9888
Participant Code: 2840618

P.S. Shauna I remember you sending an email that you would join by phone. Will you confirm you received the conference line information? That way we can have more folks join the call as needed.

As a reminder we are in Room 750A in the Urban Center.

Cheers,

Julia

Julia,

Unfortunately, the 2/18 Mitigation Tech Team meeting conflicts with a B2H Cooperating Agency Biological Resources Mitigation Working Group call that I must attend. Please let me know your conference line number in case I can break away briefly from the B2H meeting or if I'm not needed for the entire meeting.

Thanks.
