From the request, look like the SageCon discussion, if it happens, would be the best choice, right?

>> Fish and Wildlife Commissioner Holly Akenson will be in Bend on Friday the 27th following a Lake County tour of Sage Grouse issues with Fozz on Wednesday (25th) and Thursday (26th). She is the Commission's liaison on

Sage-Grouse issues.

Chip is on the road helping his daughter move to Michigan next week and unavailable to participate.

I'm in town next Friday and can assist as needed, or not, your choice.

I'm in the office this afternoon and most of next week if you want to chat.

I realize this is last minute request and appreciate any guidance you can provide.

Thanks
