Nothing has developed other than Dan Ashe asking for a rationale for granting an exception to the 3.1 mi lek buffer in GH. That came out of a meeting he had Tuesday with Senator Risch. Jason and I have it completed and its with Terry Rabot and Rich Hannan. So, continue to enjoy your time off.

Later today, Virgil and I spoke and he confirmed that the Governor is going to talk to the Secretary about his concerns about the Idaho BLM plan. Virgil said that Tom Perry (Governor's General Counsel) recently held a call with his counterparts in the other states and developed a list of talking points and concerns that the Governor will express on the call and in a follow-up letter.
