We're heavily engaged in the process, just not the actual crafting of the memo. I say down with OR and ID field offices last Friday and went over the plans in detail, I think we're working well with BLM. That said, nothing wrong with your message

> I'm finding that across the range, BLM appears to not have engaged our staff as they prepare their draft administrative final plan, or perhaps in this case the justification for exception to the guidance. This seems to be more the case in my region, honestly. However, this troubles me rangewide as I think we need to remain at the table now as the hard decisions are getting made. Or as a decision on an exception is made.

Has the justification for ID as an exception to the guidance been written yet? Do you know where that is in the process?

Noreen Walsh
Regional Director
Mountain-Prairie Region
U. S. Fish and Wildlife Service

303 236 7920

The Mountain-Prairie Region of the U. S. Fish and Wildlife Service: *We provide conservation stewardship of some of America's most scenic lands, to ensure healthy fish and wildlife for the enjoyment and benefit of all people.*
