I just got an email on this topic. Ted and Sarah are already on their list. I've asked that my name be added also.

I plan to provide the BLM with contact information for the FWS FIAT technical team, project leaders, and ARDs. If there are additional FWS staff you would like to have included please let me no later than COB, next Monday 3/23. Based on the information we provide, the BLM will establish an FTP with security (passwords) to allow access to this limited group.
