Subject: Re: QFRs from the Director's Budget Hearing

Hello All - Katy has not heard back from the Department on the extension request. She asked that we just continue to work on the QFRs and send them as soon as possible.

Please push to try to have them done before/by Noon on Thursday to allow time for me to review, compile, and send to Jeff as Acting AD, for review/approval by Friday, 4/3.

If it is possible to get them before then, that would be preferable.

Thanks,

Robin
