Hi Craig,

Things are going ok here. Hope you aren't pulling your hair out.

As I commented last time I was asked. Frolic 2015b is NOT the correct citation. The citation is Shepherd & Frolli 2015 - no clue where the b is from as I only spoke with Tom Frolli once. I did receive a data sheet from him at one point, however, that should be credited as FS.

So this pers comm should be Shepherd & Frolli 2015 - I met with these two gentlemen together and they jointly answered questions. Yes, some were answered by one or the other, but I did not write it up as two separate pers comms. maybe that was incorrect. The pdf of the meeting notes is attached.

Let me know if anything else is missing.

Cheers,

- Gen
