Richard
IDL has asked to meet with BLM and me today or tomorrow to explore ways to "beef" this up in the IDL plan. Will keep you and Terry posted.

I talked with Terry and she and Mike will confer regarding conditions that may be appropriate for moving forward regarding exchanges. Nothing jumped out at us beyond what you and I discussed but we will sleep on it and get back with you on Monday so you can return your call.

Busy week, I hope I am not the only one who is tired! Enjoy the weekend! rich
