This is good; thanks. I have a couple follow up questions I'll run by you later today and then I will move this to Noreen.

Matt

Apologies for not getting this to you yesterday COB
Had a conversation with Ken Mayer late in the day and this slipped.

You'll note this recommends a staggered outreach approach, first the grazing memo and then the WAFWA report. I've identified several challenges to this approach at the top of the doc. Sending to you as opposed to surname.

call w throughts/concerns.
