All,

Sent this list out and just spoke to most of the SLT. They're going to add our thoughts to the product list I sent around for their review last week, so it's a [hopefully] all-encompassing 'to-do' list.

Hi everyone,

Just confirming that BLM emailed ALL of the layers for ADPP and no-action to us this afternoon.

With a quick review, I'd say it looks complete to me, and the data loads into ArcGIS. I'm attaching here the delivery memo and list of datasets .PDFs for you.

I've put the data up on ScienceBase,

Thanks,
Lara
