Thanks for the good news, Gretchen,

I look forward to meeting and working with you soon.

Best,

Leith

Well... it's a new year and time to start thinking about lekking grouse. We are starting to get interest from various schools and partners regarding field trips. As in past years, the Idaho Fish & Wildlife Office has committed $1000 to the program. We are seeking an additional $1000 from our Regional Office and are looking to see who's also willing to contribute/partner. Please let us know, so that we can prioritize and plan accordingly. Thanks and we'll be in touch more soon...

Jason
