Hey Angela,

Crazy week here last week, Sec Jewell and Gov were in town, here is what I know so far for Oregon CCAA counties.

Harney - 54 Landowners 320,000 acres
Lake - 6 landowners 36,500 acres
Crook - 6 landowners 84,000 acres
Malheur - 22 landowners 210,929 acres (There are another 12 Land owners that have been contacted that have agreed to sign, they total another 83,000 + Acres, That's a total 34 Landowners comprising just under 300,000 acres.)

Still waiting on Baker and Grant County.
