Good afternoon,

The attached letter was sent to Interior Secretary Sally Jewell this afternoon from the Public Lands Council, the National Cattlemen's Beef Association, the American Sheep Industry Association, and seventeen cattle and sheep associations from the western sage grouse states concerning proposed changes within the Department of the Interior, specifically the inclusion of Sagebrush Focal Areas in federal resource management plans.

Please don't hesitate to contact me should you have any questions.

Thank you,

Marci L. Schlup
