Thanks, Tim,

I'll give it a read today. I'll let you know if anything jumps out at me, but I expect not. I appreciate you keeping me posted.

BTW: When I spoke to Caj early this year and he kindly provided me with a bunch of background, he mentioned that the Public Affairs folks might get together this year. If you hear anything about such an in-person meeting in the CDA area, please let me know. I would be interested in traveling up, schedule permitting.

Best,

Leith

PS: Feel free to ask Ally about that IFWO grant money you were asking me about last month. She's officially the CPWN POC and is aware of the IFWO-funding for staff projects.

We may decide to share this more broadly later so I would not worry about edits right now. If and when we share this later we will have another opportunity to edit and make changes. Let me know if you have any questions or concerns. I will keep you posted.
