Excellent - thanks Jay. I'm headed in late today but will try to get this out later. I can't get SharePoint to work from home either - I think it's a Google/VPN/security issue.

More soon. Cheers

Anyway, if you look on the excel form in there (the one that lists the threats in each state to be addressed, and the one shown at the training), if you scroll all the way over to the right, it lists the main CED POCs for each state. Let me know if you have questions, or you can try me on my cell 307-752-2210.

The Conifer stuff is going to be a great example based on what I've seen in a couple reports earlier today. Can you confirm for me that this email string is the list of folks that are POC for CED, in other words who I should send the email to?

Subject: [Update] CED evaluation webinars scheduled Tuesday & Wednesday

Hi all,

Looks like everyone can make one or the other webinar, so we'll go ahead and do both: Tuesday at 12 PST/1 MST and Wednesday at 2 PST/3 MST. Please stand by for invitations updated with webinar URL, etc. Please be sure to register in the CED (today) if you haven't, and check it out.

Thanks very much!
