No worries, Ted. I explained to the group the person who created the calendar entry was unaware we sometimes use a different phone line. I advised the group to refer to my e-mails for "official" information re: FMT calls.

I can catch you up at your convenience. Also, it sounds like Genevieve was on for your shop.

Cheers.

Matt-

I'm sorry I missed the call. I am just getting to this email. I called the number in the calendar invite.
