Drue,

Maybe we can discuss this when you get back... Not that he reached out to us directly, but I might be able to attend or minimally provide comments.
I see Tyler is trying to attend as well, so FWS will be represented.

All:

Thank you for filling out the Doodle Poll. The Companies appreciate your time. I have been in contact with a few folks that and I have found it necessary to add a few more dates to the Doodle Poll to see if we can maximize attendance. I hate to draw this out longer, but I would appreciate it if you would fill out the edited Doodle Poll at the following link. It is the same Doodle Poll with some additional dates so be sure to scroll through it. My hope is that through maximizing attendance we will be able to reduce the overall number of meetings needed through this process. If the new proposed dates do not provide a net benefit then we will likely stick with a time in June, which as of right now would be June 24th at 10am (please mark this date and time on your calendar as tentative).

Again, thank you for your time and participation. Please fill out the updated Doodle Poll by COB June 6th.

Subject: Gateway West Sage-Grouse Mitigation Plan and Doodle Poll
Importance: High

All:

Attached is the current version of the Draft Gateway West Sage-grouse Mitigation Plan (Draft Plan). Also attached is a cover letter which provides additional insight and background regarding how the plan has been revised since the last time this group as a whole had reviewed the Draft Plan.

The Companies are submitting the Draft Plan for your review and comment. It is the Companies' hope that you will find this version of the Draft Plan acceptable and we will be able to finalize the plan in the near future. The Companies look forward to continuing our discussion with you in this regard.

In order to provide you with ample time to conduct your review, the Companies request that you provide any comments by close of business on Wednesday June 11, 2014.

The Companies would like to hold a conference call with this group to discuss comments that you may have. Please fill out the Doodle Poll at the following link by close of business Wednesday May 28th.
