I'm told that bagging a SG is a big deal in SD. A while back Scott said that SG hunting still occurs on our refuges in those states that have them.

Subject Hunting Sage Grouse?

I was flipping through a GFP publication that had season dates for a bunch of stuff. There's still a hunting season for sage grouse?!! I looked it up, all you need is a small game licence. I know hunting isn't their main problem, but still . . .
