I am not sure what that means, exactly, but Mike is traveling most of the week so probably hard to reach. Give me a call at the office.

I just got out of a meeting with DNR and the Governor's Office on sage-grouse. I need to ask the FWS for a letter on using our science and lek counts. Should I call you or Mike T.?

I searched my emails and did not come up with anything. We did switch from Outlook to G-mail 2 weeks ago and I suppose it is possible something did not get through. Thanks Noreen.
