Julia,
The Mitigation program summary sheet is blank – not sure if you meant to send out the one we filled out during the meeting?

Subject: Mitigation Work Group; Work Plan and July Meeting Notes

Good Morning Mitigation Work Group Members,

Attached is the draft work plan discussed at our July meeting for your review, a few minor edits and a gantt chart have been added. Please provide your feedback and or notes, it would be especially helpful if you have additional research, studies or scientific data sources/examples to suggest to help define and develop plan products, roles and elements.

Attached are *draft* meeting notes and the Mitigation Program Comparison Summary Sheet that we talked through at a high level to discuss different options for moving forward, please send any corrections or additions.

To make edits to these documents, please use track changes and submit back to me by next **Friday August 16th**.

Sincerely,

Julia
