Rich
I sent you are reply earlier but don't see it in my email. The answer is "Yes". Idaho has seen the specific direction BLM HQ handed down as well as specific language in the Admin draft plan. Idaho is a cooperating agency so BLM has kept the state fully briefed on all changes.

Has the actual language, as currently drafted in BLMs plan relative to lek buffers, been shared with the state? It is one thing to have seen the language versus assuming what is being proposed. Thanks!
