I'll plan on coming to your office. If you'd like someone to attend that has a spatial interest in this go ahead. I'd like to know what you'd like to see done and where HAPET can be of assistance.

I'd also like to hear more about the Sage grouse position and if/how it's moving forward. Thanks.

Mike,

At some point in time (prior to next RDT Retreat) I'd like to sit down and discuss this particular action item. When would be a good date/time for you? Thanks.
