Thanks, Pat, for the quick review and comments. I'll address same then share with Noreen. No further action at this time. Cheers.

Matt -

a few very minor comments attached. I am assuming Noreen will have the necessary resources (probably already in her head) to respond to questions about the summary arguments. If more assistance is needed please advise.

Hi, Pat. As mentioned, please see attached the subject doc, which I developed per Noreen's request. She'd like this handy for SGTF, so I'd be grateful for your review/feedback by COB tomorrow. Thanks. MK
