SubjectGWW - Rocky Mountain Power - Conference Call

Pat:
As we discussed earlier today, we would like to take a moment of your time and explore the concept of mitigation banking for sage-grouse/sagebrush.
I am available any time after 11:30am tomorrow, Friday the 9th.
Please let me know what time works for you and Mark. I will then set up a conference call-in number.
Your time is appreciated.
Regards,
Brian King
