The meeting will take place from 2:00 - 5:00 p.m. in the Governor's conference room in the Capitol. We consider this a team effort - not siloed - and your attendance would be appreciated. If you plan on attending let me know. We may be able to arrange for a conference line if that will assist your attendance. Because we will be discussing pre-decisional information this is not an open meeting - if you intend to invite others please confirm with me.
