Thanks Larry. If I stay at the airport all I should need is a ride to the meeting and then back to the airport. Most of the hotels have a free shuttle and I'll be getting in too late to worry about being out on the town the 13th. So if I can twist your arm once again to provide a personal chauffeur? 🍺🍸🤘🎱

Hey Pat

As you work out your travel details let me know. If you arrive by late afternoon we could arrange to loan you one of our vehicles and save a little money if that helps any.

Hey John -

December 14 works fine for Laura, Larry and myself (assuming no conflicts at home - will verify this weekend). I'll come over late the 13th so an earlier meeting would be great. We'd like for a biologist from UDWR to come as well - someone who knows the sage-grouse landscape - I will defer to you on who should be included.

Thanks for the invite John! Have a great weekend.

p
