Hi Drue,

Why don't we cancel the full group call. Will will be in town so we wanted to take advantage of that. He and i would like to come by and just chat with you about how you think this process is going, etc. We can plan to arrive at 1 and it shouldn't take long.

Thanks,
Madeleine

Let me know and I'll send out an update either with your agenda items or postponing until next week.
