Hi Ken-

If we could scheduled **Thursday, April 9, 2015 at 9:00 am MT**, that would be great.

I've blocked one hour for all our species leads.

Thanks!
K

Kate Norman is the status review project manager and is the best contact for pulling our group together. I believe she'll be in the office later today. Thank you for reaching out. We're looking forward to hearing the presentation.

Hi Gary,

With Mark Shelley moving on, I wanted to follow up with you directly about arranging for an Oz Garton webinar for interested USFWS personnel on the sage grouse population study. Is there interest in doing this and if so, should we identify some timing options?

Thanks,

Ken
