Larry,

Thanks so much for sharing with you. You gave me hope and made my day. It was fun to visit with you yesterday. Have a nice weekend.

One thing I wanted to tell you about that slipped my mind was that the Service has recently clarified its position on grazing and sage grouse and the importance of private ranchlands to sage grouse. Below is a URL for the final, signed and dated range wide grazing memo from the Assistant Regional Directors to the various U.S. Fish and Wildlife Field Supervisors in Western States. Please feel free to share with any partners that you wish and to contact me if you have any questions
