Hi Richard,

If your schedule allows and you are looking for a more hands on experience WDFW will be capturing sage-grouse at Hart Mountain to transport to Washington. March 16-25.

If possible, I would like to have both Shirley and Vicki accompany me. They both contribute so much to the Region and to making Robyn's and my lives tolerable. If need be, we can rent a van to accommodate all that want to go so we can keep everyone in one vehicle.

The hope is to stay in Bend and visit a reasonably accessible lek near Brothers (about an hour drive from Bend). Angela Sitz has agreed to take us out and hopefully we can coordinate with her lek count which will be conducted sometime during the weeks of April 15, April 23, and May 15th. She is unavailable 4/9, 4/23, 4/24, 4/29, and 4/30. Are there any times in the first 3 weeks of April that fit your schedule?
