Hi Ted - Just realized that we never spoke last week. Do you still want to chat sometime or has the issue been resolved?

Thanks,
Angela

>> Yes, we met with NRCS folks back on March 5 to discuss SGI and CCAAs. One of the main outcomes of that meeting was to produce the outreach material that I mentioned on the FMT call and sent you a draft of previously (though the draft has been through quite a few edits recently and has changed someone for clarity). I'd be happy to talk to you more about the meeting. Unfortunately, I'm about to head out on leave for the rest of this afternoon and all day tomorrow, but I'll be back in the office on Wednesday and pretty free the rest of the week. Whatever time works best for you!
