Kate,
Any of these times would work fine for Dr. Garton. Please let me know which works best and we will get it scheduled.

Thanks,
Ken

Hi Ken-

I've looked for possible times based on the availability of our lead biologists and management team.

After reviewing calendars, I believe these times would be best:

- 4/9/2015, 9:00 am MT
- 4/9/2015, 1:00 pm MT
- 4/9/2015, 3:30 pm MT
- 4/9/2015, 4:00 pm MT
- 4/10/2015, 1:00 pm MT
- 4/10/2015, 2:00 pm MT
- 4/10/2015, 3:00 pm MT

Please let me know if you need anything further and feel free to call me if you have questions (303-236-4214).

Thanks,
K

Kate Norman is the status review project manager and is the best contact for pulling our group together. I believe she'll be in the office later today. Thank you for reaching out. We're looking forward to hearing the presentation.

Hi Gary,
With Mark Shelley moving on, I wanted to follow up with you directly about arranging for an Oz Garton webinar for interested USFWS personnel on the sage grouse population study. Is there interest in doing this and if so, should we identify some timing options?

Thanks,
Ken
