Hi Nicole,

My apologies for not getting back to you sooner. I was on annual leave and forgot to set up my "out of office" email reply. As for the in person meeting, the only date that will work for me will be October 14. I will not be able to make the meeting if it is scheduled for September 30 or October 7.

Thank you,
Melissa

It looks like Sept. 17 works best for those that responded to the poll for our next call. Please hold 10 am - noon MT on your schedules for our next call. The FWS is working on a draft document to share with you before the call and to use as a basis for this continued discussion. We'll send details as we get closer to the call.
